11:15AM Sunday Bible Classes

(Worship service in Vietnamese @ 11:15a.m. Contact: MS Hân Nguyễn and MS Thương Đào)

Emerging Adulthood

Dr. Jeffrey Jensen Arnett identifies five distinguishing features that universally characterize the post-adolescent journey:

- It is the age of identity exploration
- It is the age of instability
- It is the most self-focused age of life
- It is the age of feeling in-between, in transition
- **It is the age of possibilities, when hope flourishes, when people have an unparalleled opportunity to transform their lives**
